IPAMS Executive Director to Testify Before House Select Committee on Energy Independence and Global Warming

DENVER – Marc W. Smith, Executive Director of the Independent Petroleum Association of Mountain States (IPAMS) will testify tomorrow during a hearing of the House Select Committee on Energy Independence and Global Warming entitled “What’s Cooking with Gas: the Role of Natural Gas in Energy Independence and Global Warming Solutions.” The hearing will take place on July 30, 2008 at 1:00 p.m. EDT (11:00 a.m. MDT). Mr. Smith will discuss the importance of access to federal lands in the Intermountain West to the nation’s energy supply and the increasingly vital role of natural gas in a renewable energy future and carbon conscience world.

Who: Marc W. Smith, Executive Director, Independent Petroleum Association of Mountain States (IPAMS)

What: Mr. Smith will discuss the importance of access to federal lands in the Intermountain West to the nation’s energy supply and the increasingly vital role of natural gas in a renewable energy future and carbon conscience world.
